*Follow the invitation paper trail*

**GET OUT OF TOWN** You don't need to travel far to find fabulous destination-wedding invitations like these from RSVP Soirée.

**THREE CHEERS** Three-dimensional shower invitations are popping up everywhere. Heidi Lane Invitations in Cedar Hill uses festive flowers and feathers. Lingerie and other apparel makes an appearance on these light-hearted invitations from Paperie & Co.

*Invitations set the tone for the style and formality of a wedding.*

**OLD SCHOOL** Hand-engraved invitations are always correct, no matter how traditional or casual your wedding. Campbell Stationers-Engravers is the only local source for hand engraving. Also pictured are invitations from Crane & Co. and Smythson of Bond Street, London.

**COLOR BURST** Color—whether bright and bold or simple and subtle—looks fresh and fun. Claudia Calhoun designs solids with white print for RSVP Soirée. Paradise Design Co. creates theme-specific bright invites. Muted pastels with raised lettering from Crane & Co. are elegant but not stuffy.
